Date & Time	Location	Incident
		No Significant Incidents to Report.

## Western Loudoun Station

(Sectors 510, 520, 530, 540, 550, 700)

Date & Time	Location	Incident
-------------	----------	----------

04/06/11 1159 hrs.	Route 287/John Wolford Rd. Wheatland	Serious Auto Crash: Deputies responded to the area of Berlin Turnpike (Route 287) just north of John Wolford Road for a report of a single vehicle crash with entrapment. Investigation into the incident revealed that Chad Christopher Horton, 34, of Purcellville was operating a 1997 Dodge Ram 2500 pickup southbound on Berlin Turnpike. For unknown reasons, Horton's vehicle went off the right side of the road and began losing traction on the right side. The vehicle overcorrected to the left, when it crossed the northbound lane and went onto the east shoulder where it rotated onto its passenger side, striking a utility pole. The vehicle broke the telephone pole in two places. The crash was discovered by a northbound motorist moments later. Horton was airlifted to INOVA Fairfax Hospital where he remains in critical condition (as of 04/06/11). Horton was not wearing his seatbelt at the time however, the airbag did deploy. Preliminary investigation suggests that Horton was traveling at over the posted speed limit. C2011-005148
